**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am against the petition to dismantle key components of the 1996 Telecommunications Act. My voice, internet, and television rates had been climbing steadily with AT&T, but I was able to LOWER them by switching to a competitor. That competitor also believes in NOT charging extra for peak times or higher data rates, and provides BETTER service than AT&T ever did.
